Just want to thank every single beautiful being that participates in the help that we receive every month. Also ~~thinks~~ thank you for the lovely luncheon we get for Christmas. For some of us, it's the only celebrating we do.

With all my heart  
Mr. Reynaldo Ibarra

*May your Christmas be filled with joy  
and happiness that last  
throughout the new year!*

## CELEBRATING LIVES & HONORING MEMORIES

Just three days after attending our Senior Christmas Party, Mr. Reynaldo Ibarra passed away. Through the generosity of donors like you, we are deeply honored to know he spent one of his last days filled with joy, warmth, and community. At the celebration, Mr. Ibarra enjoyed a delicious tamale dinner, shared laughter with friends, played bingo, and even received a visit from Santa Claus. This heartfelt handwritten note, transcribed by his granddaughter, reflects the deep gratitude he felt for the care and compassion provided to him, not only at the event but throughout the years.

We are grateful to have served Mr. Ibarra for five years and take comfort in knowing he is now resting peacefully with our Lord. His story reminds us of the profound impact these celebrations and services have on the lives of the seniors we serve.
